Top Menu Bar

Edge Swipe Navigation

Familiar Navigation Elements:

✓ **Top Menu Bar** - Clean header with quick menu, search, notifications, and profile access ✓ **Breadcrumb Navigation** - Shows navigation hierarchy (e.g., Home > Places > Details) ✓ **Footer Links** - Professional footer with About, Contact, Help, Privacy, and Terms links ✓ **Side Panel** - Swipe-out panel with quick actions for saved places, history, and settings

Experimental (Unfamiliar) Navigation Elements:

✓ **Voice Commands** - Full speech recognition with commands like "Go home", "Search", "Show favourites" ✓ **Edge Swipe Navigation** - Swipe from screen edges (left/right/top/bottom) to reveal hidden menus ✓ **Shake to Reveal** - Shake device to discover secret menus using device motion sensors ✓ **Advanced Gestures** - Double tap (quick search), long press (context menu), pinch (zoom control)
